

Hardy Brain Camp

Creating brighter futures!

Is your child:

- Struggling with attention, focus, or learning?
- Easily distracted during homework?
- Slower than classmates at finishing work?
- Disorganized?
- Clumsy or not good at sports?
- Impulsive?
- Easily frustrated with homework?
- Below grade level?
- Working hard but still struggling?
- Struggling with reading or math?
- Lacking self-confidence?

If you answered “yes” to any of these, Hardy Brain Camp can help!

How It Works

Hardy Brain Camp is a 4-week program that helps students pay better attention, learn faster, and become more successful in school, using an individualized video game format with movement, ball activities, and cognitive skills training.

Please sign below, giving your permission to participate and promise that your child will attend 5 days a week, for the full 4 weeks:

I give my permission for my child to participate in Hardy Brain Camp and will make sure my child attends the Boys & Girls Club everyday during the 4 week period. And, I agree to allow my child's progress to be featured in research reports, promotional materials, news stories, websites, and other communications about the program.
